Subject: Planning Board Appointment needed

Don:

Please be advised that Planning Board member Hartley Millett has recently resigned due to professional time demands. Now, the Planning Board has nominated its associate member **Ruth Martin** for appointment by the Board of Selectmen to full Board membership. Ruth was appointed Associate in the summer 2004. The Planning Board is eager to have a complete slate of full members restored as soon as possible, and is asking if this matter could be placed on the next Selectmen's meeting agenda. Ruth Martin could then fill Hart Millett's term which expires on 6/30/2009.

Ruth Martin's promotion to full membership would leave a vacant Associate position, which the Planning Board would like to see filled quickly. Planning Board associates can act as full members on special permits if a full member is unable to do so. Therefore, associates are an essential part of the Planning Board.

Thank you -
